Regular Meeting.....7:00.....February 18th  
Both at Round Table Pizza  
On Hosmer Street near Lowe's

# President's Report

*Hello: Fellow Tacoma Members*

Well here we are getting ready to go into the month of February already. We had our January Club Meeting. We went over the Christmas Party, and let everybody know that we are starting to set up for the 2009 Sunbust show

for 2009. If anybody has someone interested in being a sponsor for the show let us know. We probably will lose some of our last year sponsors so any new one would be great. Also it is not too early to start working on getting raffle items for the show to. We are off to a slow start on the show as we only had 3 Officers show up for the meeting.

February 11, will be the Officers meeting I hope all the Officers are there. It is important for all of you to be there. Any members can come to the Officers meeting if they wish to. I brought up the election for the officers in Oct. I know this is early, but we will have to elect a whole new set of officers. So members will need to think if they want to get involved or who they would want to take over. Also Don and I would like to know if anybody in the club would like to take over the show coordinator job as Don Nuttbrock has been doing this for last 10 years. He going To want to step down some time. He would like someone to step in and work with him so he won't walk into it blind. If anybody would be interested talk to Don Nuttbrock.

**The February 11th meeting will be the Officers Meeting hope to see all of the officers there.**

**The February 18th meeting will be the Club Meeting hope to see all of you there.**

**President  
Gary Nuttbrock**

---

# EVENTS

February already we still have lots of 2008 shirts left. We purchased 130.00 worth of raffle prizes for the next three-month's. We still need to figure out what items we need to restock the club store with we need suggestions the sooner the better.

We are trying to get a Bbq get together with the Bremerton Chapter in April. We are also thinking about a cruise to Ocean shores or Mt Rainier in May. If that is something that sounds good please let us know. I will get a hold of Kyle to try to setup a race day with him.

I heard that the PT Cruiser and the Viper is on the chopping block.

They have already stopped production of the Viper and are trying to sell it off to another company. If anybody has more information on the muscle car tax I would really like to know whom it's going too affected by this. [Allfordmustangs.com](http://Allfordmustangs.com) has a good

## Membership:

Hopefully the coldest weather this winter is behind us. As we are now in February 2009.

We have 30 members renewed for 2009. This is alright as we are in the beginning of the year. I know this is kinda short for this month. Make it up later.

Members who have renewed: Tom Layton, Ken Neal We have 11 more. Will be In next newsletter.

Thanks, Don Nuttbrock

Dear Fellow Mopar Members:

We are in the second month of the New Year already. Guess what...it's time to start the preparation for SUNBUST 2009 on AUGUST 23, 2009. This means we will be setting the new shirt design soon. We need to be looking for sponsors for this years show. I will contact last years soon. There are changes to the park. They have removed the bldg on the south side (vendors) and west side (Reg. & Club Store). This we hope is a good thing as it will Allow us to expand parking. Although it will have some impact on vendors, hopefully positive.

If you haven't got one already the 2009 GoodGuys Calendar is out. We will have some at monthly meeting. If you don't know, there is a Swap Meet in Puyallup Fairgrounds Feb. 7-8 & Feb. 14, 15th.

PEASE SUPPORT THE SHOW SPONSORS IT HELPS THEM AND US.

Let's all come out and support your Club and make this the best SUNBUST yet.

## PACIFIC NW NATIONALS MOPAR SHOW

**There will be a meeting on this show on Feb. 2nd at Pacific Raceways office at 2:00pm. We expect to see fliers and a shirt design. As well we will address other issue for the show. We had a signup sheet go around at our Jan. meeting. We had a good responds. We know everybody can't make the monthly meeting. So we need you to call me or any Officer and have them sign you up. They need this for security. It doesn't mean you are totally committed. We would hope that you would be. This Show should be fun to be a part of.**

# Treasurer~~~~~Tech Report

I can't believe February is here! This will be my last article because my wife Robin is the new treasurer. I completed my two year administration. It was a pleasure doing it. We need more people to step up and be an officer. The same people keep doing it every year, they just switch positions. If our club is going to flourish we need different members to step up and be an officer. Remember offices club dues are paid for by the club,

free membership, not bad. So lets step up next year and get some new blood running the club. Also I talked to Don Muellor about an event for people who would like to see what their Mopar will run in the !/4 mile. We are going to go to one of the car club drags this year. I already have quite a few people interested. So get those Mopars tuned up and running smooth. Don will let everyone know the date and time and at what track and where we will meet at. We will drive to the track in a convoy! Even if you don't want to race come out and cheer all the racers on. GO MOPARS!!!!

I wrote a check to Don Muellor for Frontier Park rental for our 2009 Sunbust. I paid out P.O. Box for the year, gave a check to Don Muellor for our raffle items for our monthly meetings and bought stamps for our newsletter. That's all so far in 2009. A little over \$700.00, which brings our account to \$4665.00. Again it was a pleasure being your treasurer the last two years. This year will be the first year I'm taking off being an officer. It's been eight years or more that I have been an officer. I'm taking a break but I will still see you at all the monthly meetings. Hope to see you all at the February 18th meeting.

## Your "Used to be Treasurer" Kyle Leftwich

Get yourself in gear for an office for next year. As you can see a lot of these positions are filled for the second year by the same person and will need to be filled with another member next
