Happy New Year all of you Mopar lovers. I hope all of you had a great Christmas and fantastic New Year. I'm looking forward to being your President this coming year. Feel free in making any suggestions on how to make our club better in 2010. Wow can you believe it, a new Decade.

What a great Christmas Party we had again. The food and company was fantastic. For those of you that didn't come, You missed a great time and it was free this time. Robin and Sharon really now how to prepare a great Christmas Dinner. And Gary Nuttbrock our 2009 president told them so with a gift card for each of them for the Olive Garden. Thank you Gary and the girls really appreciated it to.

We have a lot of new officers this year, So lets all show up at January's meeting to show our support to all of the new officers And our club. The club is only as good as our members and their participation. So lets show up strong at the monthly meetings. If the weather is nice the day of the meeting, polish up those Mopars and drive them to the meeting. That's all for now. Hope to see all of you at the January meeting.

Your 2010 president
Dave Eckman

SECRETARY

Hi we did not have a regular meeting in December The meeting that we did have was held at our Christmas Party, we did elect new officers and I would like to introduce myself to the members. My name is Diane Carlson and will be the secretary at the meetings. I am not quite sure what all that means but am sure to learn. I have been a club member for at least ten years and a "mopar momma" for a very long time. I have collected classics for over ten years and have been surrounded by mopars all my life. Say hi and introduce yourself as many times as it takes for me to remember. See you soon Diane"

PENTASTAR

EVENTS COORDINATOR

(Here we go into a new exciting year, with new officers in most positions of our club also. With this being my first month in this position, I would like to introduce myself first. I started with Mopars Unlimited, Tacoma in 1999, and was a member for about two years, I dropped my membership when I went to California in the Marine Corps, after 4 years down south I moved back home, and am now a firefighter with Lakewood, and an instructor at the Fire Science class at Bates Technical College. My first car was a 1969 Dodge Polara, and that was the car responsible for me becoming a Mopar fan. At this time I have a 2009 Challenger, a 2000 Dakota R/T, a 1965 Dodge Polara, a 1966 Dodge Polara project car, and the very recent addition of a 1968 Dodge Power Wagon. In my spare time (which I don't have much of) I am a member of the Car Club Challenge, a bracket racing circuit that splits its time between Bremerton and Pacific Raceways, I also go four wheeling and camping on occasion, I am planning on attending a lot of car shows as well this year. For 2010 I am excited about the events, cruises, and meets we will have the chance to attend. I will try to give a quick heads up of any all Mopar events around the area, and if you know some that may not be well known, pass them to me and I will get the word out. I also am assisting Don and all the key players of Sunbust this year, it is a great learning experience helping behind the scenes of this great car show. For the month of January, we will take a tour of Griots Garage in Fife, and they will give us a hands on demonstration for detailing a car. I have graciously offered up my Challenger for a demo, if anyone else wants their car to be a guinea pig, give me a heads up, they said they might be able to do a few cars. The event will be on Saturday, January 30th from 10:00AM to 12:00 Noon at Griots Garage 3500-A 20th St E, Fife, WA 98424, Phone 800-345-5789. Any questions, suggestions, or if you want to volunteer your car, call me at 253-255-3435

Hay everyone it is nice to be back. I am looking forward to doing the news letter this year. To me it is a lot better than handling the finances. I actually have a lot of fun doing this job. I guess this is my thing. I am going to try to put some activaties in the future letters and make it a little fun to. I want to take the time to thank all of the 2009 officers for all their hard work and dedication that thay have put in the last couple of years. And I hope that all the 2010 officers can do them proud..I am hoping to see all of you soon. Yor news letter editor. Robin

Well I guess I will start with my Mopar connection. I bought my first Mopar in 1968,it was a 1964 Dodge Coronet. The I bought my first new car a 1970 Plymouth Duster with a 318,I wanted a 340 but thought the insurance would be a arm & leg,I do have a 340 for it now!!!

I raced hydroplane 7 liter in the late 70's,My Friend and I got Region & national high point, running a 383 in the hydro. I also drag raced & raced a stock car in the early 80's.

I have owned probably 30 to 40 Mopars of all types to date. Right now I have a;64 & 66 Barracuda,66 Dart Gt convertible,70,72,74 Plymouth Duster, 2003 Dodge Dakota Pu, Oh! a 85 Buick Somerset.

SUNBUST 2010

Members:

Here we go heading into a new decade? What happened to the last One.

As we head into this New Year. We will see changes as we go on. Maybe some of you are upgrading your Mopar or building a new one for 2010.

Either way I hope you are having fun and things are well with you.

The big news this year is this will be our 25th Annual Show. We should be proud of that. We are going to try to make this year special.

Plans are being formed now. The Show will be August 22, 2010 at Frontier Park. Set this day aside for a fun time with the Club. We will have a not so new booth this year. It will show memories from the last 25 yrs.

There will probably be one class change this year. We will have more later. I don't for see any other changes, except we are going to try to improve on vendors this year.

I would like to announce this year. Chris Pfaff will be working with me this year. He is very excited about this opportunity. To learn the Ropes.

Then next year Chris will be your new Show Coordinator.

We will be looking at last years sponsors in order to see if they will stay with us. Also we need to bring new sponsors on board.

We need to as a Club support last years sponsors as best we can.

Officers meeting 1-13-2010

Membership meeting 1-20-2010

Both meetings will be held at the Round Table Pizza on Hosmer Blvd. At 7:00 PM

I am writing this article on behalf of the club and officers. We are thinking of convenience and also ways to save the club some money. How would you like to get your new letter delivered straight to your desk top. Or if you do not have an e-mail get it off the web site. And of course if you do not have the internet we would still send it through the mail. If you are interested in this please email me at rll8105@comcast.net If I do not get any response from this I will be calling all members.

Thank you Robin Leftwich
