ISSUE IV

MOPARS UNLIMITED OF TACOMA

April 2025

PRESIDENT'S REPORT

Hey there boys and girls,

I hope you all are having a great day and in good health. There were 12 members at March's meeting, which is about average. Unfortunately, we canceled our meeting out at JoAnne's last Wednesday due to thunderstorms and possible hail. We rescheduled it for April 2nd at 6:30PM. It is a Sunbust meeting. As soon as the weather gets better, we are going to schedule some cruises so keep your eye on the monthly newsletter or better yet come to our meetings.

Brian Brown dropped my driveshaft out of my car and I dropped it off at driveline NW to balance it and put solid U-Joints in it and they had to put a new sleeve on it due to damage on it for when my front U-Joint broke out at Pacific Raceways last year better safe than sorry! Brian came back out on March 31st to put it back on my car. So, I should be ready for race season. First race is April 19th and 20th, Easter weekend.

Well, that is all for now, be at April's meeting on April 16th at 7:00 pm.

From ur prez: Kyle (live to race) Leftwich

In this newsletter you can expect:

7PM**

ALL MEETINGS ARE HELD AT ROUND TABLE PIZZA - TACOMA, WA 7PM

SECRETARY REPORT

Are we are getting ready for April showers that bring May flowers? We guessed on the side of caution and cancelled the Sunbust meeting due to the weather. I even took two cars to a friend's barn in case there was large hail which didn't happen. March meeting had good turnout; we had some discussion on updating the by-laws. Ted will put it together an send it to current members, Then by May 1st you will be asked to Vote yes or no. Then send your vote to Don at dnmopar@icloud.com The highest count will be the verdict. That was the biggest item on the menu, plus some talk about Sunbust. Along with some tech & wrenching questions.

DID YOU KNOW?

Dodge is reviving its historic "Fratzog" logo, a three-pointed triangle, for its electrified future, particularly for the upcoming 2025 Dodge Charger Daytona SRT, a nod to its muscle car heritage from 1962-1976.

TREASURY UPDATES

There was little activity this Month. There was \$13.22 for 50 member cards. There will be some activity this month as fliers will be finalized and printed for Sunbust. This leaves \$4,114.98 in checking. Next month will start to collect sponsorship money.

SUNBUST

This a sample of shirt design for 2025. There could be some minor changes made after the Sunbust meeting. This would finish page one of the flier. Along the rest of the Page 1 writing which is pretty much the same as previous years. Going back to the shirt's colors need to approved plus the third car on the back. Then the shirts can be printed.

Our membership roster count is now at 29. This includes both current Regular member as well as our Sponsor Honorary members.

And speaking of our Sponsors, please patronize them if you can. They have generously supported our chapter events and we should support them in turn. They are listed elsewhere in the newsletter with links to their websites.

The weather will improve, I assure you. Actually, as I write this it is sunny outside my house. No, I'm not telecommuting from Phoenix. Granted, it's not exactly balmy t-shirt degrees here in Tacoma, but there are sunshine and blue skies now and then. Cruise season is coming quickly, so get your rides prepared to go.

If you have any thoughts of what we can do for activities let us know. Maybe you heard of or even attended a tour of a facility that, oh I don't know, maybe recycles beer cans into wheel covers. Or would you like a tech session about the proper way to rotate the air in your tires? We're asking for some suggestions.

We are still fixing some problems with email addresses, and members not getting newsletters. Please contact me if you hear of someone who isn't receiving the monthly newsletter, or with any other membership issues.

And, to make sure you receive future emails from your humble Membership Director, please put these e-addresses into your mail Contacts:

Ragtop6t4@outlook.com

Membership@moparsunlimited.org

Also, please keep checking your SPAM folder for my pearls of wisdom. Thank you.
