Quick Recap

Presidential Update

Kyle has already started making calls to confirm attendance and dishes for the Christmas party. We would love to see everyone!

Secretary Report

We held the November Monthly Meeting, and attendance was good. The main topic of discussion was the upcoming Christmas Party, and we were able to finalize several last-minute details.

We also received some great news from Bob Beaudoin — he has beaten his cancer and is doing very well.

Treasurer Report

We haven't spent the funds for the Christmas Party yet — those expenses will occur later this month. Our current checking balance is \$4,530.10.

Christmas Party
