SECRETARY REPORT

Can you believe we are in 2025?

There was a time it sounded like a lifetime. Now here we are. Last month we had the Christmas Party at AMVET Hall. We had a lot of tasty food, with wide variety. There was no reason to be hungry. We did a gift exchange, as well as a raffle with several different items like restaurant gift cards, VISA gift cards, TONS of DOT 3 brake fluid! We also gave the Christmas tree to a needy family, along with gifts to place under.

Some membership renewals for next year!

Now we need to work our way thru the new year. We will make it better.

TREASURY UPDATES

We had a lot of activity last month due to the Christmas Party. The hall rental cost \$1000, which included a \$500 deposit. We have received the deposit back. The party cost to the club is about \$540.

I deposited \$740 plus \$29.23 from demo.

We now have \$4304.98 in checking.

Hello, My name is Jessica, I have offered to take over the newsletter to eliminate some of the workload from Don!

I am no stranger to the Mopar world, car community, or Mopars Unlimited. I started showing cars at the age of 16 with a '70 Plymouth Duster 340 clone that was fully restored by my dad. (I just held the flashlight!) And what better way to celebrate a "Sweet Sixteen" by painting it Moulin Rouge!

From there I have had a 1g Neon RT 2.4 swapped, Caliber SRT-4, and currently a beautiful 2019 Daytona 392!

I look forward to meeting everyone!
