PRESIDENT'S REPORT

Hey there boys and girls,

I hope you all are doing well. We are finally getting good weather. **Our June monthly meeting on the 18th is going to be at God fathers' pizza in Spanaway where they have a car cruise. I will be getting there around 4 to 5pm and Jim Edwards should be there about the same time.** If the weather looks Bad call me or Don Nuttbrock. Don will also e-mail you to let you know where we will meet at, probably back at round table. So shine ur cars up.

Well we got rained out on Saturday May 31st but on Sunday the 1st we was able to race I didn't do so good I won my first round but lost my 2nd round. I was in 6th place but I'm sure I will drop. Oh well life goes on.

But on a brighter note, on May 17th I went to my first car show in over 10 years and won best Classic car out of approx.. 60 cars. it took me totally by surprise. I received a nice-looking wood plaque witch was sponsored by JBLM, the show was at Griots garage in Tacoma on 38th st They had about 160 cars. Only 6 awards.

Well, that is all for now I hope the weather is good for our next meeting and I see you all out at god fathers in Spanaway.

From: ur Prez (Kyle live to race Leftwich)

Membership

By now you probably are checking the car show event calendars and making plans for the coming warm weather.

Here's another local event to plan on: the good folks at the world-famous Bob's Java Jive in Tacoma have agreed to host a cruise-in just for our chapter. That's right, a local landmark for over 90 years, this is the same Java Jive whose picture adorns the front of our Sunbust t-shirts and registration fliers this year.

Besides the remarkable feat of surviving the wrecking ball for nine decades, Bob's Java Jive has been connected to famous names such as Keanu Reeves and members of the band Girl Trouble; and supposedly D. B. Cooper bounced a check there just prior to skyjacking the plane from SeaTac.

The place is a cool, funky bar and has great food and almost a century of memorabilia stuck to the walls and ceiling.

The date of this cruise-in is Sunday August 10 - one week before our Sunbust car show. Consider this a warm-up to the big show. Maybe we can call it the Sunbust Primer, or something else catchy.

Now, this date unavoidably conflicts with the Summer Sizzler All Mopar show in Oak Harbor, and a few of our members already plan to attend that one. But if you are inclined to stick closer to Tacoma just prior to our Sunbust show, consider spending some time that Sunday at one of Tacoma's most famous and enduring landmarks.

Sunday August 10, 2025 - a cruise-in at Bob's Java Jive featuring the Tacoma Chapter of Mopars Unlimited. Mark the date in your calendars.
More details will come in future newsletters.
