PRESIDENT'S REPORT

Hey there boys and girls,

Can you believe it is March already? On Feb. 26th we had a Sunbust meeting out at JoAnn's house. We discussed the design and possible colors for the shirts and a little about the 40th anniversary show in 2026. We may go back to classes for that show, then we also talked about updating our by-laws, as they are so outdated.

Our next monthly meeting is on 3-19 at Round Table Pizza on Hosmer St. in Tacoma out in front of the big bass store. Cruises are starting up pretty soon. The cruise at God father's pizza every Wed. starts in March!! Cars start showing up any Wed. that is sunny. The official start date I think is March 26th. Well, that's all for now, enjoy this nice weather we are having. If on our next meeting the weather is nice bring your classic Mopar.

SECRETARY REPORT

We had a good turn for the February meeting. Now we are in March 2025. We started off with Kyle's updates and he turn it over to Don. Which we went thru officers' reports including membership, newsletter, treasurer, secretary and Sunbust. Then there were some open discussions on tech and other related reports.

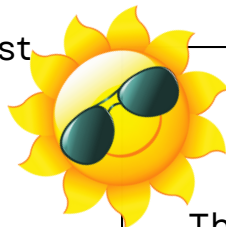

Mopar was originally used by Chrysler back in the twenties, but it officially became a brand in 1937, first appearing on a can of antifreeze sold by Chrysler Motor Parts.

TREASURY UPDATES

We had some activity this month. A \$250 sponsor check for Sunbust plus two more renewals. This leaves us with \$4384.98 minus one outstanding check!!

SUNBUST

Things are a little on the quiet side. I am waiting for pictures for one of the cars for the front of the flier, hopefully this week!

Although we did get a new sponsor for Sunbust

BIG THANKS to Jim Edwards.
