SECRETARY REPORT

TREASURY UPDATES

Here we are in November 2025, heading toward the end-of-year holidays! Time to start watching what we eat now — so we can leave a little room for all those delicious holiday treats coming up.

Our October meeting was held as scheduled. We went through several officers' reports, and then Kyle shared details about our upcoming Christmas Party (see below for full information).

We also covered a few team updates and went over items for sale.

We only had one transaction this month. That was for our annual report

To Secretary of State for \$55 which is still pending. This leaves \$4427.82

In checking.

There will be expenses for the up coming Christmas Party.

We currently have 30 members in the chapter; 28 single and 2 dual memberships, in addition to our nine supporting sponsors.

Thanks to Jim Edwards' recruitment efforts, we welcome new members Josh Bass and Steven Wolff to our family. We hope to see you guys at the November meeting and at the December Christmas party.

Our January membership meeting will be a bit different than usual. Instead of Round Table Pizza on the third Wednesday of January, that meeting will be held the following Saturday, the 24th, at Griot's Garage from 10:00 till 2:00 and will include a tech session, lunch, and a behind-the-scenes tour of the private car collection of Richard Griot, the Founder of Griot's Garage.

Following the meeting, our chapter members will get a 20% discount off Griot's products in their showroom store. (I know, I mentioned a 25% discount in our September newsletter - that was my error.)

For those who want to make sure you are current for next year, there is a renewal form elsewhere in this newsletter. Just fill it out and bring \$20 (\$30 for Dual Memberships) to the November meeting or the December xmas party.

If you have any questions about your membership, either email me at membership@moparsunlimited.org or call me at 253-370-3971.
