PRESIDENT'S REPORT

hey there boys and girls,

This is going to be short and sweet. I just got back from Mission Raceway in Canada, Division 6 finals. I had a lot of fun, Bremerton raceway came in 4th place out of 18 tracks, not too bad. Only 3 points out of 3rd behind Renegade, & Woodburn took 1st place. My car ran great with a *fast* time of 12.03 at 111 MPH. It took me 1-hour to cross the border coming and going. That sucked.

Well, that is all I have for now, I hope to see you all at this month's meeting on Wednesday the 17th at round table pizza on Hosmer St. in Tacoma. be-there-or-be-square. from ur Prez. Kyle (live to race) Leftwich

SECRETARY REPORT

Well, here we are in September! Sunbust 2025 is now in the past & we are looking forward to the 40th Annual show in 2026!! Last month we held the monthly meeting a week early because of Sunbust. We went over the Saturday & Sunday schedules. Plus, the officers' reports. There were some tech. questions as usual!

SUNBUST

We had a very good show. Everything ran as we planned. The setup on Saturday and tear down went very well. I want to thank all who helped with putting on this event. Without your help the show wouldn't have had the success it was again, Thanks for the good job. There were some things that were special, I guess. Like a tie for the Judge & People's Choice Awards. Plus, the Conner Family entered four cars and took Four plaques. We just passed our 39th annual show & now we are heading toward our 40th Annual Show. I don't have a car count yet as I don't have reg.

TREASURY UPDATES

Lots of movement with the finalization of Sunbust 2025! There was a deposit of \$6464.55 which included \$351.89 from Venmo. We had to pay the rest on shirts \$1403.00 Plus, we order about 7 of the ASH shirts as we ran out of certain sizes. We paid Big John's Trophies \$1176.97. Paid the Park \$155 from gate money. We also paid \$125 for Insurance.

We did have a new thing! Barry Hasson won the pressure washer. He had won already, so he auctioned it off \$250 with the money coming back to the club. **THANK YOU, BARRY!!**

After all of this, we have \$5,798.32 in checking. Sadly, we didn't really make as much money as last year.

Membership

We added two new members during our recent Sunbust car show. Please welcome Jesse Hutchings and Chris Morgan to Mopars Unlimited of Tacoma. We hope to meet you both at the next monthly membership meeting.

We also welcome two new sponsors: Carbs Unlimited and Performance Automotive of Auburn, and Griot's Garage of Tacoma.

I know that summer will be winding down in the coming months, but there are still going to be some nice days for cruising and showing off your rides.

And once winter is officially here, we have arranged to have a tech session put on by our newest sponsor, Griot's Garage. They are located on 38th St. just off South Tacoma Way. That session is scheduled for Saturday January 24, 2026.

This special tech session for our chapter members only will include lunch, demonstrations of how to use their products, tour of the facility, and 25% off of their products that you buy that day. Mark your 2026 calendar now, or at least put it into your phone calendar until the mall kiosks are again filled with paper calendars.
