MOPARS UNLIMITED OF
TACOMA

Feb. 2026

Hey boys and girls,

This will be short and sweet!

We had approximately 26 people attend the Griot's Garage tech session on Saturday, and everyone had a great time. Saw a demonstration on how Griot's products work—and wow, that door looked brand new when they were done.

We had coffee and donuts at 10:00 a.m. and pizza at noon, so nobody went hungry!

Unfortunately, nobody showed up for our Sunbust meeting at JoAnn's house on Wednesday the 28th—except me and Don Nuttbrock. So I guess I'm not the only one who forgets things... ha ha!
I won't be racing this year, but hopefully next year.

That's all I have for now. Please remember to let Don or me know if you have any ideas for events you think would be fun. I've got a couple of ideas myself that I'll run by everyone at our next meeting on February 18th.

Be there or be square!

From your Prez,
Kyle "Live to Race" Leftwich

TREASURY UPDATES

We are already in the second month of 2026, time to stop dating 2025 and change that 5 to a 6!

We had a great start to 2026, meeting at Groit's Garage for the January meeting. We had a crowd of 25 members in attendance, with a number of Mopars represented. Be sure to check out the pictures below.

We enjoyed pizza from Domino's and then held the January meeting with the usual reports and a good technical discussion. After the meeting, we moved on to a tech session focused on how to properly detail your Mopar. It was a very good presentation.

New member Josh Bass volunteered his Tahoe for the demonstration, and we're all looking forward to seeing the finished detail.

We had a few deposits for renewals this month totaling \$80. That is all for now.

This leaves a checking account balance of \$3,753.79.

We will be donating \$250 to Clover Park and Shoreline Community. This will be completed soon.

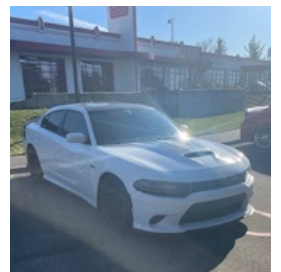

SUNBUST

The show is Aug. 2nd this year. There are a few things being attend to now.

Next SUNBUST WILL BE FEB. 28TH AT JOANN'S

6:30 PM

Location: 9715 210th St Ct E Graham, WA. 98338

Our January membership meeting & tech session at Griot's Garage was a highpoint for recent meeting attendance; 25 people were there, including a few prospective new members. A couple of those did join our chapter after the meeting. Say Hello to **Scot and Corrie McDonnell**, who live in the Graham area. Welcome folks !!

That brings our rolls to 29 current paid-up members. For the other 6 of you who have not yet renewed your membership from last year to 2026, please do so soon. Dues are still at the bargain price of \$20 for Single and \$30 for Dual membership.

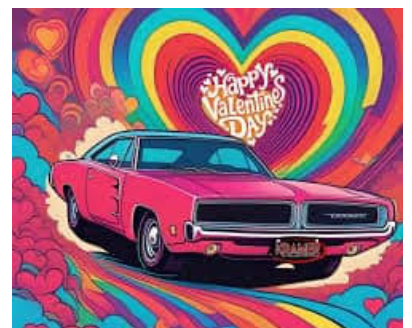

There is a renewal form elsewhere in this newsletter for your convenience, or you can download one from our website. Then, either mail it to us or bring it to the February meeting on Wednesday the 18th. Otherwise, this is the last newsletter you will get as we cull the membership list of non-renewals.

**Please call me if you have questions about your membership:
253-370-3971**

Also, at our coming February meeting we will ask for nominations for chapter officer positions for 2026. You can nominate yourself, or any other current member for a position. Check out the website Bylaws section for position descriptions. If you can't make it to the Feb meeting, you can nominate someone by contacting any current officer and we will take it from there.

I hope to see all of you again soon.
