

OCTOBER NEWSLETTER

Hey there, boys and girls!
I hope you are all doing well. At our September meeting, we only had seven members. Don and Jim Edwards couldn't make it, so needless to say, it was a very short meeting.

On September 26th, I went to Kelly's Kafe for the cruise. There were only seven cars there, when we usually have about 30. I think the cruises are pretty much done for the year.

Our next meeting is on October 21st, and I hope to see more of you there!

Well, that's all I have for now.

From Ur Prez,
Kyle Leftwich

SECRETARY'S REPORT

Here we are in October 2026, heading into fall and winter. It's time to work on our Mopars and get them ready for 2027, or maybe even start a new project! This will get you out in the garage, getting your hands dirty and wrenching away. Then you can look back and say, "Did I really do that?"

I wasn't able to attend the September meeting, but Kyle covered the meeting in his report.

TREASURER'S REPORT

There is nothing to report this month. There has been no activity. As we get closer to the Christmas party, that will change.

SUNBUST UPDATES

**There isn't much happening right now.
The 2027 show will be held on Saturday, August 21st.**

**I have listed the show in the Brackets
Hot Rod Association guide.**

Here's something to think about:

**We could place an ad for \$200. This would keep
us in the guide all year, along with Facebook.**
